## **MAXIM MOVES UP TIMING OF RELEASE OF SECOND QUARTER FINANCIAL RESULTS AND OF ITS CONFERENCE CALL**

SUNNYVALE, CA–January 17, 2006– To avoid an overlap of its conference call with that of other companies in the semiconductor industry, Maxim Integrated Products, Inc., (Nasdaq: MXIM) will be releasing financial results and holding its conference call earlier than previously announced. The company will be releasing financial results for the second quarter of its 2006 fiscal year on Wednesday, January 25, 2006 over Business Wire before the opening of the market on that date. The results will be posted on Maxim's website at:

[www.maxim-ic.com/Investor](http://www.maxim-ic.com/Investor)

Maxim has re-scheduled its conference call for January 25, 2006, at 12:00 noon Pacific Time to discuss the press release, including financial results for the second quarter and the business outlook. You are invited to listen to the call. To listen to the call via telephone, dial (866) 818-1395 (toll free) or (703) 639-1379. This call is being webcast by Thomson/CCBN and can be accessed at Maxim's website at [www.maxim-ic.com/Investor](http://www.maxim-ic.com/Investor). The webcast is also being distributed through the Thomson StreetEvents Network to both institutional and individual investors. Individual investors can listen to the call at [www.earnings.com](http://www.earnings.com), Thomson/CCBN's individual investor portal, powered by StreetEvents. Institutional investors can access the call via Thomson's password-protected event management site, StreetEvents ([www.streetevents.com](http://www.streetevents.com)).

Maxim Integrated Products is a leading international supplier of quality analog and mixed-signal products for applications that require real world signal processing.
